Brent Hardcastle

If there's one thing Brent Hardcastle loves better than flying, it's showing off. No stunt or maneuver is too difficult for him to attempt. When he isn't flying, he talks about flying.

Too arrogant for the military and having seen action against pirates and marauders overseas as a mercenary, Brent now earns his money as a stunt pilot at a local airfield, where he is a hit with the ladies. He has been pals with Amelia and Doc Davenport since they helped foil a kidnap plot against the Doc. He has a secret crush on Amelia, whom he calls Duchess, but doubts she could ever "fall for a rough guy like me."
