# Lady Amelia "Duchess" Valentine

Lady Amelia Valentine is the only daughter of Earl Rothborough. She has been spoilt since birth, has never wanted for anything, and was educated in the finest European finishing schools. As such, she is very opinionated, always believing herself to be right. She also has a habit of speaking down to foreigners and prefers not to mix with them when possible. If traveling, she always has a suitcase of expensive clothes to accompany her.

While visiting New York, she became embroiled in a plot by foreign agents to kidnap Doc Davenport. Since then, she has been close friends with everyone involved in the incident.

She is a trusted part of the team, and her access to easy money, not to mention her good looks and noble bearing, has saved their skins more than once. She has a crush on Brent, but doubts he'll ever fall for, "a spoiled, rich girl like me."
