

# UNTIL POLICIES AND PROCEDURES

## UNTIL SUPERHERO

(5 point Fringe Benefit)

### Benefits

- *Limited liability insurance.* Only covers user if acting for or with sanctioned UNTIL operations.
- *Limited international police powers.* Allows covered user to make arrests in any country which has an UNTIL presence.
- *Access to training facilities.* Holders may use local danger rooms and attend local seminars held by experts in the fields. Topics range from local laws to fighting certain types of criminals.
- *Access to local information services.* UNTIL local bases includes latest advancements in communications and data gathering services. These may be used if working on a mission for UNTIL.

### Restrictions

- *Secret identities must be registered.* The user must give their secret identity to their representative only. This is held in an ultra secure encrypted UNTIL database. It can't be accessed unless the hero AND the local representative agree to the transaction.
- *Basic power testing is mandatory.* UNTIL scientists will conduct secret experiments gauging the limits of the powers possessed by the super. Again this information is confidential.
- *Must deliver monthly reports to representative.* Card holders must report to their representatives at least one (1) time per month. This contact is mandatory. Supers are expected to deliver all pertinent information on their activities during this period.
